

TRANSITION COURSE OF STUDY WORKSHEET

Complete for students in grades 9 through 12

Student Name: _____ **Date:** _____

This is a worksheet for determining progress in the student's selected course of study. **It should be updated at each annual IEP.** All students follow the registration process, which requires parent permission. Registration is completed annually, and is subject to revision based on student needs and course availability. This can occur without IEP revision. Refer to IEP-1b to coordinate the Course of Study with the Transition Plan. Out of content area substitutions require **PRIOR** administrator approval.

Transition Course of Study (Required at age 15): List A, B, C or D (from IEP-1b)			
	A) General Studies B) Technical Institutes and State Universities C) Most Colleges and Universities D) Highly Selective Universities
