AUTHORIZATION FOR MEDICAID CLAIM

(Please initial one)

My child is Medicaid eligible. I give my consent for the Cornbelt Educational Cooperative to submit claims to Medicaid for covered services. I authorize Medicaid to make these payments to the school district. I authorize the release of any information from the school district to the Cornbelt Educational Cooperative, and by the Cornbelt Educational Cooperative to Medicaid as necessary to request payment of Medicaid benefits. I understand that I may revoke this permission at any time by notifying the Cornbelt Educational Cooperative.

My child is not Medicaid eligible.

I do not wish to provide this information.

I understand that all services will be provided to my child, without delay, without regard to Medicaid coverage status during the time frame of the IEP. If the amount of services changes during the duration of the IEP, a new consent authorization form must be signed. Consent must be obtained each time access to public benefits is sought. Services to be provided are documented in the student's IEP.
